

Immediate Opening Primary Care Physician:

Community Health & Wellness Partners of Logan County has an immediate need for a full-time Family or Internal Medicine physician. Providers at Community Health & Wellness Partners serve as community partners in healthcare by providing economic-based, whole person, whole community primary care to the citizens of Logan County for long-term health and wellness.

As a Federally-Qualified Health Center, we are looking for an physician to help lead in ambulatory health and primary care services at Community Health & Wellness Partners of Logan County. Our organization believes in a whole person, whole community approach to healthcare. If do too, we offer:

- Full-scope primary care in a rural setting
- Flexible opportunities for scheduling including administrative time
- Opportunity for practice shaping
- Congenial collaborative environment
- Shared telephone call for CHWPLC only
- Competitive salary, great benefits and opportunity for loan repayment through the National Health Service Corps (HPSA 14)
- Relocation assistance available
- Only one hour from Columbus and Dayton, OH

New graduate or experienced physician welcome. Ohio licensure and Board certification required.
